

How to use The 60° Triangle Tool

Strip Cutting

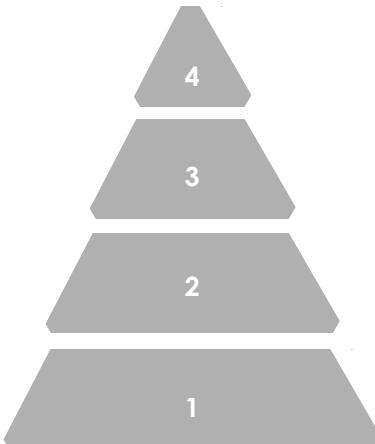

Begin with a 2 1/4" fabric strip folded in half.
Follow the cutting images below.

Video tutorial available:

Trimming Points

Using the bottom left corner of The 60° Triangle tool trim each of the corners of **Pieces 1, 2, 3 & 4** so the pieces look like those shown below. You will need to flip over the fabric pieces or the tool to be able to trim all corners.

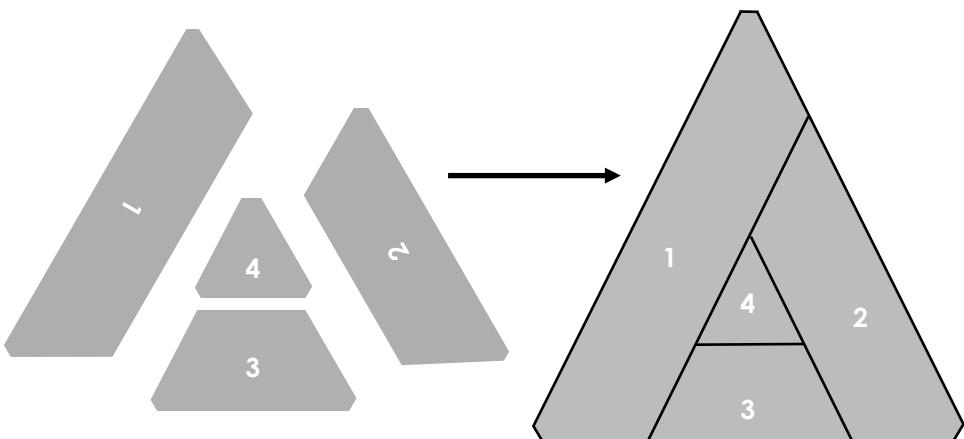

The Pyramid

Combine **Piece 4** and **Piece 3**. Next, add **Piece 2** and then **Piece 1** to make an **Ombré Pyramid**. Press all seams towards **Piece 1**.

The Teepee

Combine **Piece 4** and **Piece 3**. Next, add **Piece 2** and then **Piece 1** to make an **Ombré Teepee**. Press seams open.

Ombré Hexagon

Ombré Fabric

Cut 3 - 2 1/4" x WOF (keep each strip folded in half)

Subcut into 6 of **Piece 1**

Subcut into 6 of **Piece 2**

Subcut into 6 of **Piece 3**

Subcut into 6 of **Piece 4**

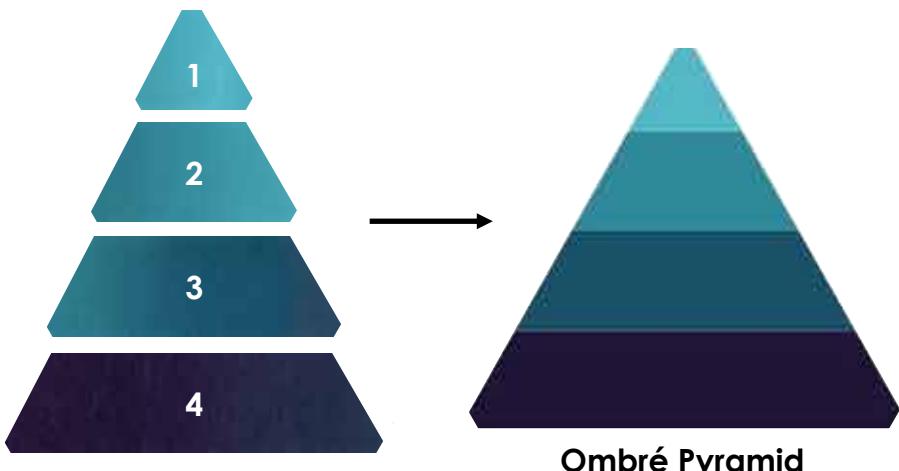

Start

Cut 2 - 2 1/2" x WOF (piece lengthwise), **Binding**

Ombré Pyramid Piecing

Combine 1 of **Piece 1**, 1 of **Piece 2**, 1 of **Piece 3** and 1 of **Piece 4** to make the **Ombré Pyramid** as shown below.

Press toward **Piece 1**.

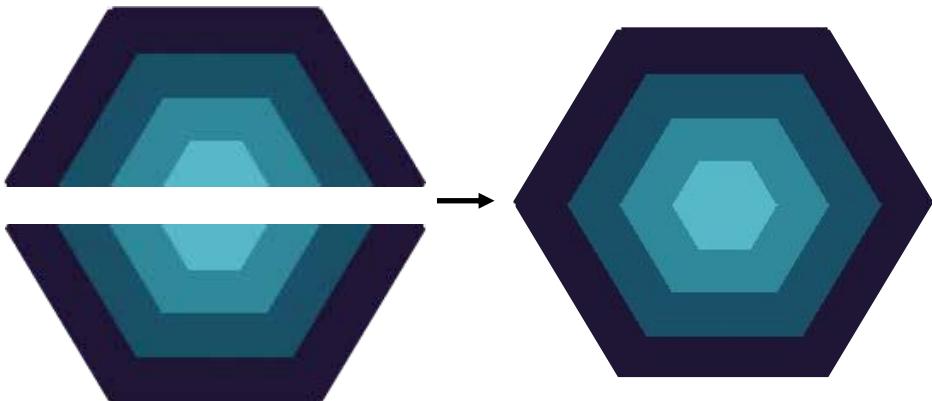

Ombré Hexagon Assembly

Arrange 6 of **Ombré Pyramid** as shown below.

Combine 3 of **Ombré Pyramid** together as shown below.
Repeat with 3 more of the **Ombré Pyramids**.
Then combine to make an **Ombré Hexagon**.

Ombré Star

Ombré Fabric

Cut 6 - 2 1/4" x WOF (keep each strip folded in half)

Subcut into 12 of **Piece 1**

Subcut into 12 of **Piece 2**

Subcut into 12 of **Piece 3**

Subcut into 12 of **Piece 4**

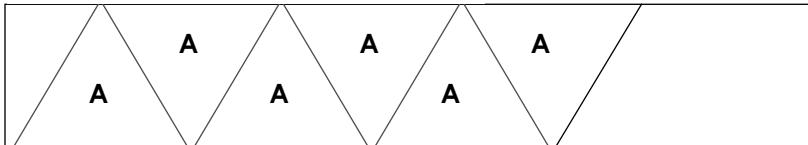

Background Fabric

Cut 3 - 2 1/2" x WOF (piece lengthwise), **Binding**

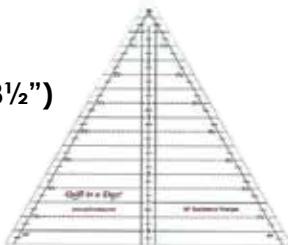

Cut 2 - 7 1/2" x WOF

Using a **60° Equilateral Triangle**

Subcut 12 - 60° triangles, **Piece A**

Suggested Tool:
60° Equilateral Triangle (8 1/2")

Ombré Pyramid Piecing

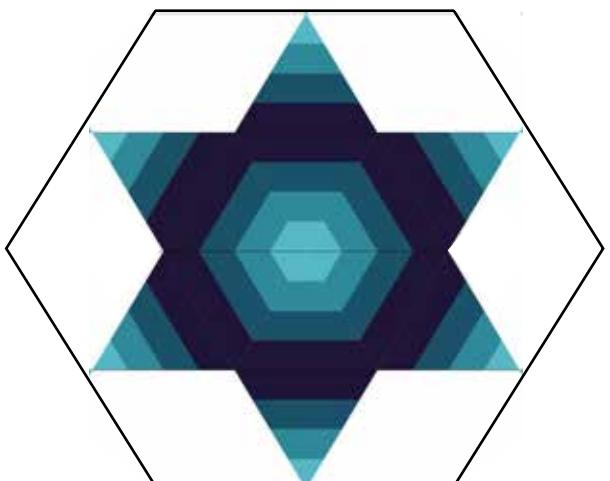

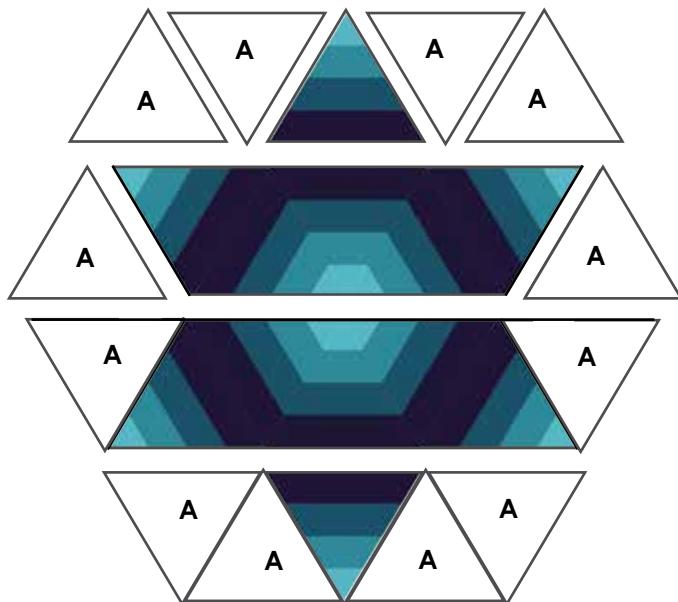

Refer back to **Page 4** to make the **Ombré Pyramid**.

Ombré Star Assembly

Arrange 12 of the **Ombré Pyramids** and 12 of **Piece A** as shown below.

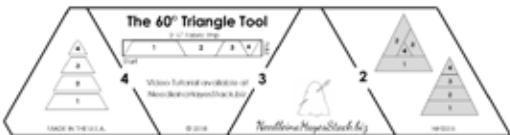

Sew together into **Rows**.

Sew **Rows** into **Quilt Top**.
