Row Assembly

7. Sew the blocks into 6 rows of 5 blocks following the diagram below. Press rows in opposite directions. Sew row to row. Press rows open.

8. Inner Side Borders: Measure the length of the quilt through the middle: _________
   Piece together 3 (Fabric 16) border strips and trim to make 2 border strips that equal the measurement. Sew to the sides of the quilt. Press away from center.

9. Inner Top and Bottom Borders: Measure the width of the quilt through the middle: _________
   Piece together 3 (Fabric 16) border strips and trim to make 2 border strips that equal the measurement. Sew to the top and bottom of the quilt. Press away from center.
10. Outer Side Borders: Measure the length of the quilt through the middle:__________
Piece together 2 (Fabric 14) border strips and trim to make a border strip that equals the measurement. Repeat with the remaining 2 strips to make a second border strip of the same size. Sew to the top and bottom of the quilt. Press toward center.

11. Outer Top and Bottom Borders: Measure the width of the quilt through the middle:__________
Piece together 2 (Fabric 14) border strips and trim to make a border strip that equals the measurement. Repeat with the remaining 2 strips to make a second border of the same size. Sew to the top and bottom of the quilt. Press toward from center.

12. Layer the backing (wrong side up), batting and quilt top (right side up). Baste layers to secure. Quilt as desired.

13. Sew the binding strips together into one continuous strip. Press in half length-wise. Sew the binding to the quilt top with a 3/8” seam allowance, mitering the corners. Trim the excess backing and batting, then turn the binding to the back side of the quilt and stitch down by hand with matching thread.
