- ❑ 3. Cut out the appliquéd pieces from designated colors. Bonnie recommends using fusible web so the pattern pieces are the exact size needed. If you choose to do needle turn appliquéd you will need to add seam allowance.
- ❑ 4. Fuse Little Lambies in the centers of the framed blocks. You'll notice that you can tilt the heads any direction you choose or have them all be the same - up to you! Bonnie also made one of the hearts into a flower and embroidered the stem.
- ❑ 5. Whip stitch around the edges of all the appliquéd pieces. You can also do this step on the sewing machine if you prefer.
- ❑ 6. Use black perle cotton thread to make French Knot eyes on the Little Lambies.
- ❑ 7. Use a deep pinkish-gray perle cotton thread and a Satin Stitch to stitch a little nose for the lambies.

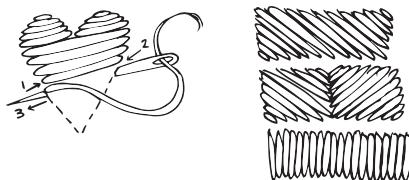

French Knot

Pull thread slightly tight around needle as you push needle through fabric to form a knot.

Satin Stitch

Use this stitch to fill in areas. Change direction for variety!
