Bias binding is cut at a 45 degree angle to the selvage. Mark and cut 1-1/2" strips. You will piece these together for a total of 300" of binding. This is calculated for a single fold bias binding.

*\*Illustration is not to scale and does not reflect the actual amount of strips needed.*

## Measure Twice Quilt Instructions

Please read all instructions before you begin. Seam allowance is 1/4" unless otherwise stated. Fabric is abbreviated as 'F'. For example, F1 refers to Fabric 1. Press in the direction of arrows.

### Disappearing Hourglass Block

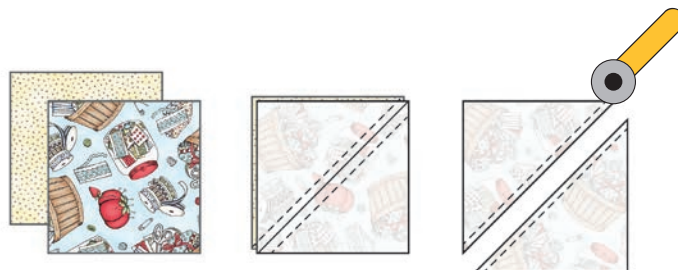

Gather the F1 and the F6 squares.

#### Two-at-a-Time Half Square Triangles (HST)

1. Mark a diagonal line from corner to corner on the wrong side of one F1 square.

2. Place one F1 square, RST (right sides together) over one F6 square. Sew 1/4" away from either side of the marked line.

3. Cut apart on the marked line. Square up each unit to 7" x 7".
