QUILT KIT

REVISED CUTTING INSTRUCTIONS

This kit includes yardage for the layout of Saguaro that was originally intended by the designer, Christina Cameli. There is one small difference in a single strip of the cactus surface. Below you will find cutting and sewing notes to match the included fabric.

UNIT B1 (REVISED)

FABRIC 13 (REVISED) MASM10020-G

Cut two strips 2" wide. From those strips, cut the following rectangles:

- 29 $\frac{3}{4}$ " x 2"
- 24 $\frac{1}{2}$ " x 2"
- 6 $\frac{1}{2}$ " x 2"
- 5" x 2"

FABRIC 19 (NEW) MAS10027-G

Cut one strip 2" wide. From that strip, cut the following rectangle:

- 21 $\frac{1}{2}$ " x 2"

Use this strip in unit B1 on Block B (pattern page 6) in place of the Fabric 13 strip.
