Turtle Bay Quilt – by Maywood Studio

Please read all instructions before you begin. Seam allowance is 1/4” unless otherwise stated. Use a light sizing/starch on the squares before cutting triangles to help control stretching along the bias edges. Follow pressing arrows to nest seams, otherwise, press all seams open.

Unit Assembly

Make the cut-away corner units

1. Mark a diagonal line from corner to corner on the wrong side of a (Fabric 8) H square. Place RST over a (Fabric 1) A square. Sew on the marked line. Trim 1/4” away from the marked line. Press gently toward the center. You will repress some units to nest your seams when assembling the blocks and the quilt top. Trim to 6-1/2” square. Make 17.

[Diagram showing the process]

2. Repeat step 1 to make the following units:

- Make 18 Fabric 2-B/H 6-1/2” x 6-1/2”
- Make 14 Fabric 3-C/H 6-1/2” x 6-1/2”
- Make 15 Fabric 4-D/H 6-1/2” x 6-1/2”
- Make 16 Fabric 5-E/H 6-1/2” x 6-1/2”
- Make 16 Fabric 6-F/H 6-1/2” x 6-1/2”

3. Select a (Fabric 7) G square. Repeat step 1 using the opposite corners as illustrated below. Add a 3rd (Fabric 8) H square to the bottom corner (fig. 1) so three sides have cut-away corners.

[Diagram showing the process]
4. Make the following sets as illustrated. There will be several left over units that you will use later. To nest seams, press in the direction of arrows. Gently press center seams. You will repress to nest later.

7. Sew the following sets and units together to make the side units. Press open.

- **Set 1**
  - Side A
  - Make 7
  - 6-1/2" x 24-1/2"
  - Use 6 for step 8.
  - Reserve 1.

- **Set 5**
  - Side A
  - Make 7
  - 6-1/2" x 24-1/2"
  - Use 6 for step 8.
  - Reserve 2.

- **Set 3**
  - Side B
  - Make 8
  - 6-1/2" x 24-1/2"
  - Use 6 for step 8.
  - Reserve 2.

9. Sew the following sets and units together to make the remaining side units. Press open.

10. Arrange the blocks and remaining side units, rotating them to match the illustration below. Sew the blocks into rows, adding the (Fabric 8) 2-1/2” x 24” sashing strips between the blocks and side units. Press toward sashing.

11. Horizontal Sashing: Stitch 4 (Fabric 8) 2-1/2” x WOF strips end to end to make 2 horizontal sashing strips. Measure the width of the quilt through the middle: __________. Cut the strips to this length. Sew the horizontal sashing to Row 1 and Row 2, then sew the rows together.
11. Side Borders: Measure the length of the quilt through the middle:__________
Piece and trim two (Fabric 1) border strips to this length. Sew to the sides of the quilt. Press.

12. Top and Bottom Borders: Measure the width of the quilt through the middle:__________
Piece and trim two (Fabric 1) border strips to this width. Sew to the top and bottom of the quilt. Press.

13. Layer the backing (wrong side up), batting and quilt top (right side up). Baste layers to secure. Quilt as desired. Trim the excess backing and batting.

14. Sew the binding strips together into one continuous strip. Press in half length-wise. Sew the binding to the quilt top with a 3/8” seam allowance, mitering the corners. Turn the binding to the back side of the quilt and stitch down by hand with matching thread.
