Welcome Home Flannel

General Instructions

The sample quilt was sewn with Maywood Studio fabrics including Welcome Home Flannel by Jennifer Bosworth

Before You Begin

• Please read through all instructions carefully before beginning.

• There are three essentials to creating beautifully pieced blocks:

  ACCURATE CUTTING
  PRECISE ¼” SEAM ALLOWANCES
  CAREFUL PRESSING

It’s details like these that distinguish a good quilt from a great quilt!

Being off by even ¼” on any piece can make your finished block ½” too short.

• Some terms and definitions to know:

  RST = Right Sides Together     WOF = Width of Fabric

• When making this quilt with fabrics other than those shown, you may want to attach swatches to the legend below for reference:

Fabric A
F8360-G

Fabric B
F610-GG

Fabric C
F609-RR

Fabric D
F8363-E

Fabric E
F8360-P

Fabric F
F610-RR

Fabric G
F8362-P

Fabric H
F8368-E

Fabric I
F8365-P

Fabric J
F513-PP2

Inner Borders & Binding
F609-GG

Outer Borders
F8360-R
Make (80) Half-Square Triangle Units

Use Fabric D and Fabric E.

**Step 1:** Place two 4⅞" × 4⅞" squares RST with the lighter fabric on the top. Draw a line from one corner diagonally to the other corner.  
**Step 2:** Sew ¼" on either side of the drawn line.  
**Step 3:** Cut on the drawn line.  
**Step 4:** Open and press seam toward the darker fabric. You will now have two pieces.

Continue until you have a total of 80 Half-Square Triangle units. Each Half-Square Triangle unit should be 4½" × 4½".

Count out 18 Half-Square Triangle units and set aside. Sew remaining 62 Half-Square Triangle units together, as shown at right, to make 31 Half-Square Triangle sets. Press seams open.

**Cut the Fabric**

- **From Fabric A,** cut:  
  - (6) 4½" × 4½" squares  
  - (7) 2½" × 4½" rectangles  
  - (2) 2½" × 2½" squares

- **From Fabric B,** cut:  
  - (40) 2½" × 2½" squares

- **From Fabric C,** cut:  
  - (80) 2½" × 2½" squares

- **From Fabric D,** cut:  
  - (40) 4½" × 4½" squares

- **From Fabric E,** cut:  
  - (40) 4½" × 4½" squares

- **From Fabric F,** cut:  
  - (3) 2½" × WOF strips

- **From Fabric G,** cut:  
  - (18) 2½" × 2½" squares  
  - (31) 2½" × 4½" rectangles

- **From Fabric H,** cut:  
  - (3) 2½" × WOF strips

- **From Fabric I,** cut:  
  - (40) 2½" × 2½" squares

- **From Fabric J,** cut:  
  - (6) 4½" × 4½" squares  
  - (7) 2½" × 4½" rectangles  
  - (2) 2½" × 2½" squares

- **From Inner Border** fabric, cut:  
  - (6) 1½" × WOF strips for **inner border**  
  - (7) 2½" × WOF strips for **binding**

For **Outer Borders:** First determine whether you prefer **pieced borders** or **continuous borders**.  
- For **pieced outer borders**, cut (7) 5½" × WOF  
- For **continuous outer borders**, cut (4) 5½" × 65"
Make (6) 4-Corners Blocks

Use $4\frac{1}{2}'' \times 4\frac{1}{2}''$ squares from Fabric A, $2\frac{1}{2}'' \times 2\frac{1}{2}''$ squares from Fabric C, and $2\frac{1}{2}'' \times 4\frac{1}{2}''$ rectangles from Fabric G.

Referring to diagram (right), sew the blocks together one row at a time, pressing all seams away from Fabric G. Then sew the rows together, pressing seams open.

Continue until you have a total of (6) 4-Corners Blocks. Each block should measure $8\frac{1}{2}'' \times 8\frac{1}{2}''$.

Make (7) 4-Corners Half Blocks

Use $2\frac{1}{2}'' \times 4\frac{1}{2}''$ rectangles from Fabric A and Fabric G, and $2\frac{1}{2}'' \times 2\frac{1}{2}''$ squares from Fabric C and Fabric G.

Referring to diagram (right), sew the block one row at a time, pressing seams away from Fabric G. Then sew the rows together, pressing seams open.

Continue until you have a total of (7) 4-Corners Half Blocks. Each block should measure $4\frac{1}{2}'' \times 8\frac{1}{2}''$.

Make (6) Patch-Border Blocks

For this block, press all seams open.

Use $2\frac{1}{2}'' \times 2\frac{1}{2}''$ squares from Fabric B, Fabric C, and Fabric I, and $4\frac{1}{2}'' \times 4\frac{1}{2}''$ squares from Fabric J.

Referring to diagram (right), start with the center row by sewing the B/C units together. Sew B/C units to the sides of the J square.

Assemble the top and bottom rows. Sew to the top and bottom of the center row.

Continue until you have a total of (6) Patch Border Blocks. Each block should measure $8\frac{1}{2}'' \times 8\frac{1}{2}''$. 
**Make (7) Patch-Border Half Blocks**

Use 2½” × 2½” squares from Fabric B, Fabric C, and Fabric I, and 2½” × 4½” rectangles from Fabric J.

Referring to diagram (right), sew the block one row at a time, then sew the rows together, pressing all seams open.

Continue until you have a total of (7) Patch-Border Half Blocks. Each block should measure 4½” × 8½”.

**Make (20) Red/Cream 4-Patch Units**

Referring to the diagram (left), sew one Fabric F strip to one Fabric H strip, pressing seam open. Repeat with remaining Fabric F and Fabric H strips.

Cut each F/H strip into 2½” sections. You will need a total of 40 F/H sections.

Referring to the diagram (right), sew two sections together to form a 4-Patch unit. Press seams open.

Continue until you have a total of (20) Red/Cream 4-Patch Units. Each unit should be 4½” × 4½”.

**Make (2) Upper Corner Units**

Use 2½” × 2½” squares from Fabric A, Fabric C, and Fabric G.

Referring to diagram (right), sew the block one row at a time, then sew the rows together, pressing all seams open.

Repeat to make a total of (2) Upper Corner Units. Each unit should measure 4½” × 4½”.

**Make (2) Lower Corner Units**

Use 2½” × 2½” squares from Fabric B, Fabric C, Fabric I, and Fabric J.

Referring to diagram (right), sew the block one row at a time, then sew the rows together, pressing all seams open.

Repeat to make a total of (2) Lower Corner Units. Each unit should measure 4½” × 4½”.

WELCOME HOME flannel – page 4
Assemble the Quilt

Referring to image (right), sew blocks together, row by row, pressing seams open. Join rows, two at a time (Row 1 to Row 2, Row 3 to Row 4, and so on). Finally, join Rows 1/2/3/4 to Rows 4/6/7/8 and to Rows 9/10/11, pressing all seams open.

Add the Borders

For the following steps, all seams are pressed toward the inner border.

Referring to image (below), add borders as shown. Piece all the inner border strips into one continuous piece. Sew the side inner borders FIRST, then trim to be even with the quilt. Repeat for the top and bottom inner borders.

If working with continuous outer borders, sew left and right outer borders FIRST, followed by the top and bottom outer borders.

If working with pieced borders, piece all outer border strips into one continuous piece. Sew left and right borders FIRST, followed by the top and bottom borders.

Finish the Quilt

Layer quilt top, batting, and backing. Quilt as desired. Sew all binding strips into one continuous piece. Fold the binding strip in half lengthwise with wrong sides together and press. Line up raw edges of the binding strip with the raw edge of the quilt. Sew the binding to the front side of the quilt, starting at any side. Turn the binding over and hand stitch to the back of the quilt.

Enjoy your finished quilt!
